

Lime Heating job vacancy

Role: Plumber

Company description

Serving Milton Keynes and the surrounding areas, Lime Heating is an established team of fully-accredited, Gas Safe registered heating engineers and plumbing professionals. We are committed to providing unrivalled services with clear and reliable communication and comprehensive knowledge of safety standards and regulations. Our dedication to customer satisfaction and drive for excellence make us confident in becoming the go-to choice for all heating and plumbing needs. Our services include gas boiler servicing, gas safety checks, boiler installation, boiler repair, kitchen and bathroom plumbing, gas pipework, warm air heating, and boiler cover plans.

Role description

This is a full-time on-site role for a plumber located in Milton Keynes. You will be responsible for day-to-day tasks such as installing, repairing, and maintaining plumbing systems. Duties will include diagnosing and fixing leaks, blockages, and general plumbing faults. Installing kitchen and bathroom fittings, toilets, showers, and shower enclosures and applying and renewing silicone sealant. The role also involves ensuring compliance with safety standards and regulations, providing excellent customer service, and diagnosing and troubleshooting issues efficiently and effectively.

Qualifications

- Skilled in plumbing, system maintenance and repair
- Confident in soldering and pipework jointing to a high standard
- Precision application of silicone sealant
- Skilled in radiator replacements
- Ability to work independently and on-site
- Domestic and commercial experience
- Understanding of safety standards and regulations
- Excellent problem-solving and analytical skills
- Good communication and customer service abilities
- Full UK driving licence with a clean record
